

FOB Purchase and Replacement

Call the Resident Manager for all FOB inquiries

The cost to purchase a new FOB is \$50.00

Only 5 FOB's may be operational for a single apartment at any given time.

Damaged FOB's can be replaced for \$10.00 each.

Damaged FOB's must have the coded copper wire still intact within the FOB to receive a \$10.00 replacement value.

A replacement FOB cannot be purchased unless one FOB has been entirely deleted from the system.

Fobs can be sold to renters only with an owners approval.
